MESSAGE FROM EMMERENTIE OLIPHANT, PRESIDENT TEXAS EVALUATION NETWORK (2021-2022)

Please join me in thanking the Texas Evaluation Network (TEN) Board of Directors (2020-2021) for their excellent service and commitment. Under the leadership of Dr. Jon Meyer, they dedicated their time and skills to strengthen the Network. I start my year as President of TEN realizing how fortunate I am to work with this team of dedicated evaluators.

The COVID-19 pandemic is impacting each of us in different ways. As evaluators, we draw strength and inspiration from each other. TEN provides an opportunity for evaluators to network and develop inter-professional partnerships across Texas and beyond. During my time as a member of TEN, I have developed new professional relationships and worked with colleagues I would never have met otherwise.

TEN members are invited to join one of the our working committees: professional development, membership, strategic planning, and social media. Email us at Texasevalnetwork@gmail.com to let us know which committee you would like to join. We need your expertise!

We invite you to register for TEN's Fall Institute in October, join TEN if you have not yet, and visit our website to get more information.

A very special thank you to Holly Heisler and Kim Trevino for their continued leadership in developing the newsletter. We hope you enjoy this newsletter!

~ Emmerentie Oliphant, Ph.D. (Social Work)

TEN VIRTUAL EVALUATION INSTITUTE 2021

The Texas Evaluation Network's annual Evaluation Institute will be held October 7-8, 2021. The theme for the 2021 Virtual Evaluation Institute is *Equity in Evaluation: How evaluators can measure, embed, and advocate for equity in our work*. Register for the Evaluation Institute here:
